A screenshot of a travel booking website's homepage. At the top, there is a dark header bar with a logo, navigation links (HOME, ABOUT, OFFERS, CONTACT, LOG IN/SIGN UP), and a search bar. Below the header, there are input fields for 'Destination' (with a dropdown arrow), 'Check In' (mm/dd/yyyy), 'Check Out' (mm/dd/yyyy), 'Adults' (0), and 'Children' (0). To the right of the search bar is a magnifying glass icon. A 'Explore nearby' section follows, featuring a grid of eight cards with icons and text: Saint Petersburg (15 minute drive), Veliky Novgorod (3 hour drive), Pskov (5 hour drive), Vyborg (2.5 hour drive), Tver (6.5 hour drive), Kudrovo (30 minute drive), Murino (45 minute drive), and Cherepovets (9 hour drive). Below this is a 'Live anywhere' section with four categories: 'Outdoor getaways' (image of a modern house in a field), 'Unique stays' (image of a houseboat on water), 'Entire homes' (image of a dog sitting on a bed), and 'Pet allowed' (image of a modern house with a wooden facade).
